

# CORPORATE VOLUNTEERING

## Benefits

Through our Corporate Volunteer Program your team will gain an understanding of some of the challenges facing a rural, isolated community, while providing an opportunity for team building, increased job satisfaction and the knowledge that you've made a difference!

We'll provide recognition through social media following the event resulting in increased visibility in the community.

## Opportunities

We'll work closely with your group to ensure your experience matches your groups' needs and goals! Opportunities vary depending on group size and time of year.

Please allow a minimum two weeks' notice for planning purposes.

To help offset administrative costs, donations are always welcome!
